

17th European Pediatric Colorectal and Pelvic Reconstruction Meeting

Rotterdam | The Netherlands | 14-16 October 2026

Abstracts submission

Abstracts preferably cover the topic of Anorectal Malformations and/or Hirschsprung Disease, although all aspects of basic science and clinical research related to colorectal diseases can be submitted for consideration.

Submit the abstract via e-mail to epcm2026@erasmusmc.nl before **August 1st 2026**.

All abstracts must present original work.

Abstract Format

Each abstract must be submitted as a Microsoft Word file (".doc"). The text must be left-justified, single-spaced and in Arial 12 font. The body of the abstract must not exceed a maximum of 300 words, including tables, figures and graphs. The text must be clear, concise and written in proper English.

The content of the abstract must be structured as followed:

- **Title:** Bold font and capital letters must be used (no abbreviations).
- **Authors:** Each author name must start with initial(s) followed by surname. The presenting author must be underlined, and each institutional affiliation must be indicated by an individual superscript number.
- **Institutional affiliations** (department, city and country): Must be in chronological order, each starting on a new line.
- **E-mail address** of corresponding author.
- **Abstract text:** Must be divided into four parts ("INTRODUCTION", "METHODS", "RESULTS", "CONCLUSION"), each starting on a new line.
